

THE CHICAGOS BADLY BEATEN.

ST. LOUIS BROWNS WIN THE DECISIVE CHAMPIONSHIP GAME.

CINCINNATI, Oct. 24.—The game to-day between the St. Louis Browns, champions of the American Association, and the Chicagos, champions of the League, was the decisive one in the series between these two clubs for the championship of the world, and resulted in an easy victory for the St. Louis team. It was Clarkson's day to pitch, but he appeared on the grounds five minutes late and Capt. Anson ordered McCormick, who pitched yesterday, into the box. But two hits were made off McCormick yesterday. To-day he was hit for a total of 16 bases, and this, with the miserable fielding of the Chicagos, decided the game. The Chicagos took a lead of 2 runs in the first inning on hits by Sunday and Kelly and an error of Barkley. In the third inning Welch made a three-bagger, and crossed the home plate through Dalrymple's poor fielding. Barkley and Comiskey made hits and Barkley scored, while Comiskey was forced out by Robinson. Robinson stole second and came home on a passed ball. The St. Louis Club won in the fourth inning by hitting McCormick safely five times. The fielding of the League champions in this inning was the worst seen here for some time. Anson made two bad muffs, and Dalrymple and Williamson a wild throw each, and Flint had two passed balls. The result was 6 runs for the St. Louis team, only 2 of which were earned. In the fifth inning the Chicagos made 2 unearned runs, but they had no chance to overcome the lead of their opponents, and the game thereafter was devoid of interest. The last half of the eighth inning was not played, on account of darkness, but it is counted in the score, as the St. Louis Club had the game without playing their half. The game being played under League rules, the score is made according to those rules. The attendance was 1,200. Following is the score:
